Tour Itinerary

Your adventure unfolds...

- Once departed Rainbow Beach we make the Fraser Island crossing from Inskip Point to Hook Point by vehicle ferry. Keep a watch out for dolphins.
- Northward bound - travel by 4WD along the seemingly endless golden highway of 75 Mile Beach. Awesome.
- Inland sand tracks through heathlands, towering hardwood forests, sub tropical satinays, kauris etc.
- Swim and unwind at crystal clear freshwater lakes LAKE BIRRABEEN or LAKE MCKENZIE - famous for their turquoise colours and fine dazzling, white silica sands.
- Delicious "Aussie style" sizzling bush barbecue lunch with welcome icy cold drinks (included).
- Pristine rainforest - luxuriant canopy of palms and vines.
- Let's go there's still plenty to do.
- Eli Creek - swiftly flowing - nature's paradox. Time for a lazy dip. Refreshing.
- Shipwreck of the SS Maheno - built in Scotland 1904 - a permanent fixture to the Northern Beach since 1935.
- Intriguing Coloured Sands formations featuring 72 colours or hues - part of the World's largest sand island.
- Our group will plan to be back in Rainbow Beach about 4.30pm and in Noosa 6pm depending the tour routes we have taken for our unforgettable day out.

Coloured Sands

Remember this is a 4WD safari and may not be suitable if pregnant or if you have a bad back.
 Dress comfortably - it's not a fashion parade!
 And don't forget your swimmers, camera and towel.
